Dear Joyce:

There are only a few times in our lives that we encounter extraordinary people. For Bertha and me, the nursing and CNA staffs at Seabury Meadows was one of those occasions.

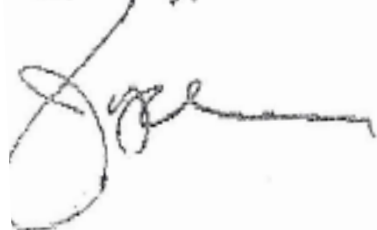

For nearly 5 ½ years, Bertha received expert care -- and some of the best hugs and kisses anyone could ever want. I'm sure you know Bertha loved you all; it was very clear to me how much you all genuinely loved her. I can't tell you how much I appreciate your kindness and support.

In addition to you, Joyce, I particularly want to thank the nurses, Jean Fahey, Joanne Campominosi, Donna Carson, Marcia Guerry, Linda Bonzagni, Stacy Bentil and Michael Blanchard; and the CNAs Samantha Altius, Joan Tobias, Clo Minnifield, Christina Harris, Ann Barrett, Suzette Ferguson and Daisy Kerr (Denzel's girlfriend!).

Bertha was very special to me and she will live in my heart forever. So will all of you.

Warmest wishes for the New Year.

Sincerely,
